

Large Excavators >
13T: 5 years, 5000
hours*

Mini Excavators 1.5
– 9T: 5 years 3000
hours*

*whichever comes first

**1st year/2000 hours full
standard warranty still
applies

Key Benefits

- The best warranty in the industry today
- Peace of mind
- Better residual value for our machines
- Better reliability due to regular servicing

LIST OF INCLUSIONS AND EXCLUSIONS FROM THE EXTENDED WARRANTY PERIOD AFTER 1ST YEAR/2000 HOURS

ENGINE COMPONENTS

All internally lubricated parts within the below system.

- Accessory Gears
- Camshaft
- Camshaft Bearings
- Camshaft Drive Gear
- Catalytic Converter (excluding any clogging issues)
- Charge Air Cooler
- Cold Start Enrichment Systems (factory fitted)
- Common Rail Fuel System
- Connecting Rods & Bearings
- Crankshaft Bearings & Gears
- Crankshaft Including Front & Rear Seals
- Cylinder Head & Head Gasket
- Cylinder Liners
- EGR Cooler
- EGR Valve
- EGR System Manifold with Gasket
- Engine Block
- Engine Oil Cooler
- Engine Speed Controls, Linkages & Cables
- Fan & Fan Drive
- Flywheel, Ring Gear

- Front & Rear Engine Cover Seals
- Front Damper
- Fuel Lines (steel only)
- Fuel Tank - (excluding filler caps & filler issues)

- Fuel Transfer Pump with Gaskets
- Injection Pump (with specialists report)
- Injectors electronically controlled (with specialists report)

- Intake & Exhaust Manifolds with Gaskets

- Oil Filler Tube
- Oil Filter Mounting
- Oil Lines (steel only)
- Oil Pan & Pan Gaskets
- Oil Pump

- Pistons, Pins & Rings

- Pulleys
- Radiator - (excluding failure from Corrosion,

Vibration or Decay)

- Rocker Arm Assembly
- Thermostat Cooling Fan
- Thermostats
- Timing Gears
- Turbocharger with Gaskets
- Valve Cover with Gasket
- Water Pumps

ITEMS HIGHLIGHTED RED ARE EXCLUDED FROM THE EXTENDED WARRANTY PERIOD

SCR with DEF SYSTEMS COMPONENTS

- DEF Heater Element
- DEF Injector
- DEF System Supply & Circulation Control Module
- DEF Tank - (excluding filler caps & filler issues)
- Voltage Converter

TRANSMISSION / AXLES / HYDROSTATIC COMPONENTS

- Axle Housing & Internal Components
- Axle Shaft
- Control Rods
- Counter Shaft Clutch
- Differential Housing
- Differential Pinion Gear / Ring Gear
- Drive Axle Hub
- Drive Shaft Support Bearing
- Drive Shaft with Universal Joints
- Enclosed Oil Immersed Chains & Sprockets
- External Oil Lines (steel or high pressure only)
- Filler Tubes (Transmission)
- Final Drive Pinion
- Final Drive Planetary Gears
- Hydrostatic / Hydraulic Pump Drives • Hydrostatic Motor
- Hydrostatic Transmission Charge Pump
- Hydrostatic Transmission Control Valve
- Hydrostatic Transmission Pump
- Internal Lubricated Clutch Housings
- Internal Transmission Control Linkage
- 4WD Axle / Differential Assembly
- * 4WD Driveshaft & Universal Joints
- Planetary Gear Carrier & Internal Components
- Rotary Hydraulic Manifold
- Splitter Drive / Drop Box
- Swing Motor & Swing Gear Box
- Torque Converter
- Torque Converter Pump
- Transfer Drive
- Transmission Case
- Transmission Gears, Bearings & Shafts
- Transmission Pump
- Wet Clutches
- Wet Steering Clutches

ITEMS HIGHLIGHTED RED ARE EXCLUDED FROM THE EXTENDED WARRANTY PERIOD

HYDRAULIC COMPONENTS

- Accumulator Body (excluding gas & diaphragm)
- Cooling Fan Pumps & Motors
- Hydraulic Cylinders (excluding sealed units)
- Hydraulic Hoses (high pressure only)
- Hydraulic Motors
- Hydraulic Oil Coolers (excluding failure from Corrosion, Vibration or Decay)
- Hydraulic Pipes (steel only)
- Hydraulic Pumps
- Hydraulic Reservoir (excluding filler caps & filler issues)
- Hydraulic Valves
- Pilot Controls

ELECTRICAL COMPONENTS

- Alternator
- ECU's controlling Engine, Transmission & Hydraulics
- Electric Motors
- Electronic Joysticks
- Gauges (manometer type)
- Horn
- Instruments for ECU Controls
- Sensors
- Sender units
- Solenoids
- Starter Motor Assembly
- System Warning Indicators
- Voltage Regulator
- Warning Beacons (sealed units only)
- Wiring Harnesses

FACTORY INSTALLED HEAT & AIR CONDITIONING COMPONENTS

- A/C Compressor Assembly
- Condenser
- Evaporator
- Expansion Valve
- Heater Core
- Pipes - (excluding low pressure hoses, Gas Charge & Quick Connectors)
- Temperature Control Programm and Valves

ITEMS HIGHLIGHTED RED ARE EXCLUDED FROM THE EXTENDED WARRANTY PERIOD

STRUCTURAL COMPONENTS

- Booms - (excludes any additional OEM numbered items)
- Dipper Sticks - (excludes any additional OEM numbered items)

STRUCTURAL EXCLUSIONS: All lubricated parts i.e. Pins, Bushes and lubricating hoses and fittings

BRAKING SYSTEM COMPONENTS

- Brake Accumulator (sealed units only)
- Brake Cooling Pump
- Brake Discs (internal wet brakes only)
- Brake Pump & Valve
- Brake Seals & O-rings
- Internal Park Brake Components - (excluding dry systems)

BRAKING SYSTEM EXCLUSIONS: Any component not listed above including External Tubes. Pipes and Fittings.

Internal parts are not covered if failure is due to wear and tear.

TOTAL EXCLUSIONS: Systems and Components as follows unless indicated otherwise within the full list above:

All Ground engaging equipment. All Worn or Chaffed components, Air Water and Oil Hoses, Breakdowns resulting from Clogging within the EGR and SCR / DEF systems. EXTERNAL: Packing, Sealing, O-Rings, Bonded Washers & all types of Quick Connects.

Also the A/C System Receiver / Drier, Dry Hand Braking and Braking systems, Dampers, Filters, Belts, Lubricants, Antifreeze, Exhaust system fluid, Filler Caps, Breathers, Batteries, Bulbs, Electric Cables, Dry Clutches, Adjustments and adjustment systems, Operating cables, Pivot and Retaining Pins, Bushes, Wear Pads and Retaining Hardware, Tracks and Track systems, Gaskets if used on their own, Electric and Electronic systems and components not listed above. Also failures resulting from inadequate maintenance or service, neglect and general wear and tear are not supported.

NOTE: All Systems and Components and any Exceptions eligible for support from this section are as shown in the full list above.

ITEMS HIGHLIGHTED RED ARE EXCLUDED FROM THE EXTENDED WARRANTY PERIOD
